Mahavidyalaya Aaplya Dari

Our institute established in rural and hilly area therefore it is our prime responsibility to provide education to every section of this area, which don't aware about higher education and carrier opportunities. In this way our institute come to know, how we reach to students and make them benefited for the sake of that we formed new concept that is Mahavidyalaya Aaplya Dari. Through this activity we offer education to students from rural and hilly area.

Our college regularly conducts it's the best practice named "Mahavidyalaya Aaplya Dari" in the month of June and July when 12th class results are declared. In this Activity includes neighbouring above 60 villages were visited by our team consists teaching and non teaching staff. We make team for several routes and conduct field Visit, meet and face to face discussion with all 12th class pass students; we make them aware about higher education and carrier opportunities of their future.

In this process, we took help from our existing students as well as Alumni of the college, especially girls and SC / ST / OBC students where enlightened about government schemes for their higher education. We make lists with their Contact numbers and we remain in touch till the admission Process completed. In this process we go door-to-door hence our faculty meets their parents, because of which we understand their problems and demands. Which were conveyed to Principal in feedback meeting, it surely helps in our future to make planning and to resolve parent's problems?
