

Report

As on the occasion of the "Science Day", we are celebrated to mark the discovery of "C. V. Raman" effect by Indian Physicist. On that we arranged the poster presentation program on Dated 28th Feb 2023 at 10.00am. Hence this program is started the celebrations after the national anthem. Our principal Sir gave a speech on science day. This included why we celebrate Science day and its importance.

In 1986, the National Council for Science and Technology Communication (NCSTC) asked the Government of India to designate February 28 as National Science Day. The event is now celebrated all over India in schools, colleges, universities and other academic, scientific, technical, medical and research institutions. On the occasion of the first NSD (National Science Day) (26 February 2020) NCSTC announced the institution of the National Science Popularization awards for recognizing outstanding efforts in the area of science and communication.

The program is ended by presidential speech.
