

One day Science Excursion Tour at Palsambe

Date: 24th Aug 2017

One day Science Excursion Tour at Palsambe on 24th Aug 2017 was organized by the college Vitthalrao Patil Mahavidyalaya, Department of Science. Our major objective is to make students familiar with the Flora and Fauna, ecology of the region.

A group of 60 students with the departments of science. Students collected the various common plants like Algae, Bryophytes, Pteridophytes, Angiospermic plants and some Insects. Students were Familiar and got a new information about the plants and Animals. In this way we were successfully accomplished our tour and then we get back to our college at 4.30 pm.
