

Department of Chemistry Date - 5 Dec 2022

WORLD SOIL DAY

Guest: Dr. K. P. Pabre

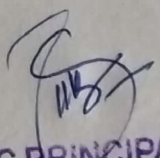

Report

Soil Day

Indian Council of Agriculture Research (ICAR) through its research institution and KVK's celebrated this year world Soil Day 2022 under the theme 'Soil where food begins' on 5th December 2022 throughout the country. The aims are to raise awareness of the importance of maintaining healthy ecosystem and human well-being by addressing the growing challenges in soil management increasing soil awareness and encouraging societies to improve soil health.

On 5th December 2022 Monday the Department of chemistry organised the programme of 'Soil Day'. The programme has started by the introduction of the guest Dr. K.B. Patre sir. Our guest told the students the importance of the soil and the infertility of soil. Then the principal of our college gave the presidential speech. Our professors also told the students how to increase soil fertility. Then Head of the chemistry thanked the guest as well as students.

Finally Head of the Chemistry department ended the program.
