Report
Principals' Symposium
On
Opportunities and Challenges before Rural Colleges

It's pleasure to state that our national higher education is changing rapidly day by day. National Education Policy demands many changes in the present education system and NAAC have recently changed its parameters to produce *Education Quality* of colleges and their assessment and accreditation system in that orientation. This change has created many opportunities as well challenges to colleges. The principals of aided and non-aided colleges in region of Karvir, Gaganbavada, & Panhala talukas in Kolhapur District of Maharashtra were participated in the organized symposium on **ISSUES** raised and may arise in future college assessment and accreditation. In the **Symposium** there is lively discussion on the latest NAAC evaluation methods, and the issues about rural, hilly, mountain, regional established senior colleges are as below:

- i] Professional assessment may but to whom by NAAC, those who are with infrastructure and equipped
- ii] MoU, Faculty Exchange, Library Exchange etc. must among granted and non-granted colleges
- iii] Lack of ICT in non-aided colleges in teaching-learning.

Require for Rural and Hilly Colleges:

- i] NAAC evaluation criteria's are general. Instead of that must different and separate criteria for rural and hilly colleges.
- ii] Government Financial policy of Aid and Non-Aid to colleges' equality
- iii] To get financial assistance by Governments for non-aided as well granted colleges.
- iv] Exam system, necessary infrastructure (Internet, Building & other facilities) particularly to non-granted colleges.
- v] Insufficient staff as well as regular Principals Recruitment must.

May be solutions for:

- i] Better by Government to take survey the rural and urban areas, college and then to decide NAAC evaluation criteria.
- ii] Resource sharing collaboration among the rural grant and non- grant colleges.
- iii] Special schemes for aid to rural and hilly area college

If the above issues are considered, and taken apt steps, the issues stated may come to an end. Hoping you may consider the above issues and to get solved.

- Principals' Symposium on
Opportunities and Challenges before Rural
Colleges.

Points for Consideration:

- ① We are ready to cope up with upcoming challenges in H.E.
- ② There are certain key parameters which are ~~challenging~~ ~~not relevant~~ to HE Institutes in rural area like collaboration with international institute and agencies, organizing international conferences, development of specific research laboratories, availing patents etc.
- ③ ~~The~~ The research grants for ~~Minor~~ major research projects should be made available for teachers in H.E.
- ④ It should be made clear, what are benchmarks? what is meant by e-content module etc.

ग्रामिण भागातील उच्च शिक्षण प्रसारात
ग्रामिण महाविद्यालयांचे योगदान महत्वपूर्ण आहे.

ग्रामिण भागातील ग्रामांमध्ये मुलींच्या उच्च
शिक्षणात वाढ झाली आहे. तसेच होत आहे.

ग्रामिण भागातील दुर्गम प्रदेशातील विद्यार्थी
नदी, ओढे, डोंगर, जंगल पार करून चिखल
तुडवत मुख्य रस्त्यावर येऊन कॉलेजला येतात.
म्हणून ग्रामिण भागातील सुगमता वाढणे
गरजेचे आहे. समाजातील वंचित घटकापर्यंत शिक्षण पोहोचणे

पूर्णवेळ शिक्षकांच्या अनेक जागा रिक्त
असल्यामुळे तासिका तत्वावरील शिक्षकांच्या नेमणूक
कराव्या लागत असून अशा तासिका तत्वावरील
शिक्षकांच्या समस्या वेगळ्याच आहेत.

महात्मा गांधींच्या मते, खेळाचा विकास
झाला तरच देशाचा विकास होईल या उक्तीप्रमाणे
ग्रामिण भागातील महाविद्यालयांच्या सर्वांगीण
विकासासाठी शासनाने नवीन उपक्रम सुरू करावेत.
