Study Tour Report.

As per part of B.Sc. Curriculum one day trip was organized by the department of Botany at "Kale Forest Area on 6th September 2018

Botany is the branch of natural science which deals with the study of plants. The major objective of the tour was to familiarize the students with the plant wealth and ecological aspects of study area.

A group 30 students were accompanied by Prof. Miss. Bhosale P.A. and Prof. Mr. Patil Y.S..

Students observed various plants like algae, fungi, bryophytes, pteridophyte and angiosperms.

The various habitats like terrestrial, aquatic, epiphytic and parasitic habitat were explained by the subject teachers.

The Kale forest area is with rare, endemic plants. The forest area is with full of biodiversity.

Students also observed & noted the various types of fruit types & dispersal mechanism.

The trip was successfully inculcated students about the practical knowledge about subject.
