College IT policy 2017-2023

The College has an IT policy covering all major areas like Wi-Fi, Bandwidth, cyber security, software and Hardware upgradation, ICT enabled teaching learning etc. which is updated or amended whenever required as per the need of the institute. Institution tries to have upgradation IT facilities as per the requirement by regulatory norms as well as industry. Institution is regularly upgrading its infrastructure covering Wi-Fi, cyber security, software and hardware upgradation, ICT enabled teaching learning. Formal IT policy has been approved by College Development Committee (CDC).

The acceptable use policies are applicable to Employees, Students, Office Staff and Visitors. Institutes have framed various policies like Installation of Hardware, Network and software. Website Hosting and Database Usage policy has its method and hierarchy which is followed systematically. Certain violations of IT policy by any member may even result in disciplinary action against the offender by institution authorities.

Institution provides 1 to 2 % of the per annual budget for up gradation of IT facilities which changes in the system as follows:

1. Previous Accreditation the campus has been enabled with internet bandwidth of 50 Mbps but now we will upgrade the bandwidth with BSNL 50Mbps (1:1), and BSNL Broadband 100 Mbps.(1:1) fiber optic cable line.
2. Number of Wi-Fi routers are also increased with high configuration after previous Accreditation and Wi-Fi network facility were deployed across the campus. Students and faculty members get maximum benefits to access internets to do their ICT teaching, project and research works.
3. Previous Accreditation the institute has Quick Heal firewall but we will now institutes upgrade with high end features firewall Quick Heal antivirus pro with all licenseing features which increased cyber security.
4. Previously we have i3 processor with 1/2 GB RAM 160/320/500 GB Hard Disk. In next Five years institute will upgraded i3, and i5 processor , 2/ 4 GB RAM/128 GB SSD RAM and 500GB/1TB Hard Disk for better performance . In future we will also upgraded our servers with 64GB RAM and minimum 4 TB Hard disk.
5. Previously we have not color Printer and fast printer. we will upgraded color Printer, Xerox Machine, Scanner with printer.
6. Previously we have 1 LCD projector. Institute will upgraded 3 LED projector.
7. Institutes installed CCTV across the campus covering all areas of the college for providing better security.
